POLICE LIZZIE HAS ACCIDENT

The police emergency car, driven by Officers Jack Sherrill and Julio Vanucci, which has been in several shooting scrapes and has made many calls on robberies, murders and the like, met its nemesis Wednesday night in the form of a taxicab of the Taxi Co. The police car lost a front wheel and a bent fender in the collision on Second street between Adams and Jefferson avenues.

The officers say they were as far to the right of the street as was possible when the accident occurred head-on. J. B. Wood, taxi chauffeur, was arrested and charged with reckless driving.
